

# RANS Coyote II S-6ES

**\$52,900**

- \* Kit purchased fall of 2004, arrived January 2005
- \* Build and airworthiness completed spring of 2007
- \* Chrome alloy frame ordered with configuration for nose or mains/tail wheel... initially built as a trike.
- \* after a premature engine failure, it received a new engine in 2018 (need to look in the logs, but I think it has less than 30 hours on the new engine)
- \* total time airframe 161.5 hours

Serial number: 11051704
